Welcome to Wealth Advisor, based in Faridabad, Haryana. These Terms of Use govern your use of our Facebook Page, posts, Reels, Stories, and WhatsApp Community. By following, commenting, messaging, or joining our Community, you agree to these Terms. If you do not agree, please do not use our Page or Community.

IMPORTANT: This is a general template for an educational Facebook Page. It is not legal advice. Please have a local legal professional review it before publishing if you offer paid services, courses, or promotions.

## 1. What Wealth Advisor Is — And Is Not

**Wealth Advisor is an EDUCATIONAL page.** We teach concepts about Stocks, Mutual Funds, Bonds, Gold, Loans, Insurance, Real Estate, and Wealth Planning in simple language.

We are NOT a SEBI-registered investment adviser, broker, mutual fund distributor, bank, or NBFC — unless we explicitly state otherwise in writing with registration details.

Following, liking, or joining our Community does NOT create a client-advisor, broker-client, or fiduciary relationship.

Any mention of a stock, fund, bond, or product is for EDUCATIONAL ILLUSTRATION ONLY — not a recommendation to buy, sell, or hold it.

## 2. Educational Disclaimer — Please Read Carefully

All content — posts, carousels, Reels, Stories, GIFs, captions, comments, live sessions, and WhatsApp messages — is for EDUCATION ONLY.

Nothing on this Page is investment advice, a tip, a recommendation, or a guarantee of returns.

Investing in markets involves risk, including loss of capital. Past performance is not a guarantee of future results.

Always do your own research (DYOR) and consult a SEBI-registered investment adviser or qualified financial professional for advice specific to your situation before making any investment decision.

Our 3-Filter Stock Test and other frameworks are LEARNING TOOLS to help you think, not a promise that a stock will go up or that you will make profit.

## 3. No Guaranteed Returns

We do NOT promise, guarantee, or imply fixed, assured, or guaranteed returns, profits, or income.

Any screenshots, examples, or illustrations of growth are hypothetical / educational examples, not promises.

If anyone claiming to be Wealth Advisor promises guaranteed returns, it is a SCAM. Report it immediately — see Section 10.

## 4. Your Responsibilities As A Member / Follower

You agree to:

- Be respectful — no abuse, hate, harassment, or personal attacks in comments or community
